## Motor Life Boat Station Bodega Bay "Second To None"

*I will maintain a guardian's eye on my crew at all times, and keep a cool, yet deliberate, hand on the throttle.*

*I will give of myself, and my knowledge as those who gave to me; so as the line of Coast Guard Surfman will live forever. I will ensure that my supervisors rest easy with the knowledge that I am at the helm, no matter what the conditions, I will never unnecessarily jeopardize myself, my boat, or my crew; But will do so freely to rescue those in peril.—Excerpt from Surfman's Creed*
