

FLEET WEEK 2011

BOATING PUBLIC NOTICE

This year's on-water Fleet Week activities will be held October 6th through October 9th. To ensure the safety of participants and spectators on San Francisco Bay, the U. S. Coast Guard has enacted special local regulations, published in the Federal Register and advertised by Local and Broadcast Notice to Mariners. U.S. Coast Guard, U.S. Coast Guard Auxiliary and law enforcement vessels will be patrolling the regulated areas to ensure all Fleet Week events are conducted safely.

ACTIVITIES AREA CLOSURES

PARADE OF SHIPS

Area "Alpha", which is depicted on "Chart 1", will be closed on Saturday, October 8th between 10 a.m. and 12 p.m. Traffic will be restricted by special local regulation throughout most of the Central Bay from the Golden Gate Bridge, south of Alcatraz, to just south of the Bay Bridge. This is to accommodate the Parade of Ships as they pass under the Golden Gate Bridge to their assigned moorings in San Francisco. No vessel will be permitted to cross the parade line or interfere with the safe transit of the parade participants in any way. A 500 yard protective zone will also be enforced around each naval vessel the entire time they are in the Port.

AIR SHOW

The enclosure to this flyer depicts the boundaries and coordinates of the most significant regulated areas. Federal Aviation Administration regulations require that these areas be clear of all vessel traffic during the specified times in order for scheduled air shows.

WATCHING THE SHOWS

The best areas to observe the air shows and the Parade of Ships are:

- North of the "Alpha" box for the parade and North of the "Bravo" box for the air show
- East of Blossom Rock buoy
- From the shore
