Welcome to "Herc" Country

U.S. Coast Guard Air Station Sacramento is home to four HC-130 Hercules Aircraft. The 186 Coast Guardsmen who serve here carry out search and rescue and maritime law enforcement missions and provide air support for not only California, but the entire West Coast. The air station's area of responsibility reaches south to the equator, west to Hawaii, and north to Alaska. Air Station Sacramento's crew is comprised of pilots, flight crew, maintenance personnel, rescue swimmers, and staff to provide administration and logistical support.
